ARE YOU READY TO TAKE YOUR CASINO PLATFORM
TO THE NEXT LEVEL?

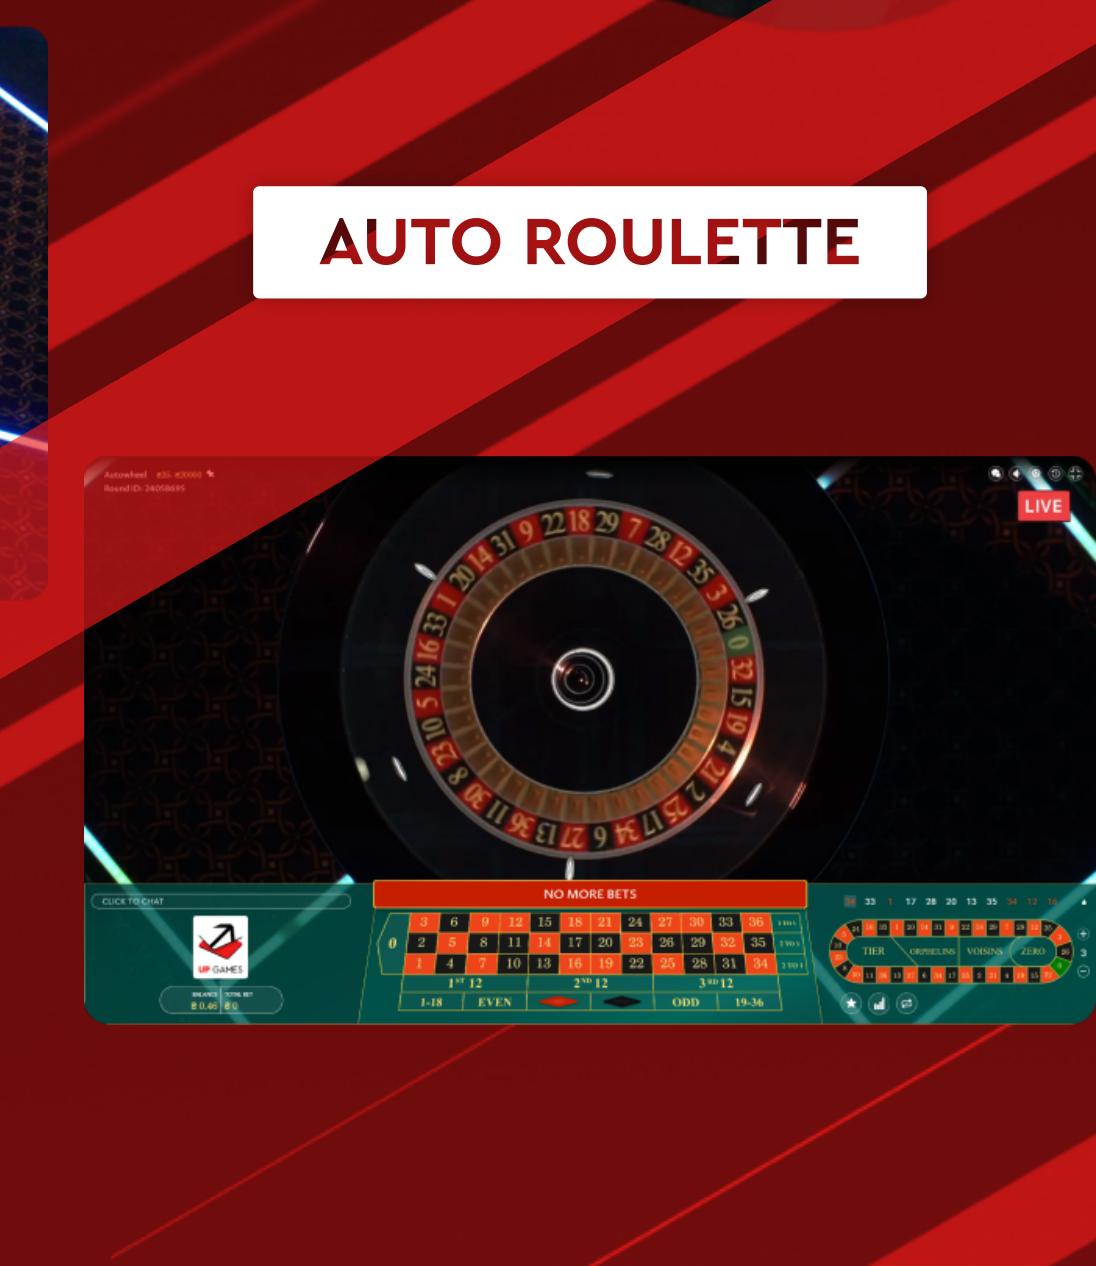

VIP ROULETTE

For VIP Roulette we offer a 24/7 broadcast from our studio. Using 6 different cameras we provide the best gaming experience and feeling of the presence. Roulette has offered glamour, mystery, and excitement to casino-goers since the 17th century.

RAPID ROULETTE

If you are looking for premium version of fast Live Roulette with less spins and without extra seconds, you are welcome to meet Rapid Roulette by UP Games! With stepping on track you still have access to open Statistics to view the winning numbers in up to 500 of the most recent game rounds. Ready, steady, Go!

BACCARAT

Dive in professional experienced atmosphere by enjoying Asia's most popular casino table game at UP Games studio. Play with our high-class professional dealers, authentic and beautiful gameplay.

BLACKJACK

Our Blackjack tables are based on our regular seven-seat Blackjack with the option to Bet Behind. With our unique interface, UP Games provides you with whole new experience of dynamic gameplay and entertainment.

UP Games Live Blackjack is your right choice to catch your luck and have fun.

Custom solutions

One of our main focuses is custom solutions for our partners.

We have a 1500 sq.m. Studio space with which we can provide you with the best conditions in the iGaming industry by any kind of decision for your casinos (dealer language, branded tables, new games, design, etc).
